EL RON PROHIBIDO 12 (RESERVA)

In 1700, when spaniards came to conquer Mexico's territory, they arrived in ships which were loaded of products such as barrels filled of raisin wines. Those barrels, still bearing traces of wine, were filled with chinguirito rum cane liqueur made in Mexico. When spaniards were on their way back, this drink was blessed with those traces and so that drink became popular all over Spain and was threatening the local drinks, that is why the spaniard King, banned its production.

COLOR

EL RON PROHIBIDO 15 (GRAN RESERVA)

The reason why this rum is pure perfection is because its finest cane liqueur is aged in a solera system within 15 american oak barrels, which were previously used for raisin wine. Aging it in barrels that are traditionally toasted, gives this rum the dry notes and pleasant aromas that evoke “forbidden” flavors. Ron Prohibido 15, embodies the glorious ancient rum and at the same time, the modern world drink.

COLOR

PX RIVES GIN

We elaborate this original PX Gin resting special edition of our artisanal gin in American oak barrels where Pedro Ximenez sweet wines were aged. This brings unmistakable flavours and aromas. This limited edition is a tribute to the 5 generations of distillers from the Romero-Haupold family, specially to Don Augusto, whom in 1880 founded our company with the same copper post still that even today we use. This bottle is a replica.
