*Pure Malt*

## KIYOKAWA

Kiyokawa is located in the northern portion of the Nagano Prefecture. Our distillery sits on the edge of a small village, fed by snowmelt and fertile land. The area is known for its severe winters and hot continental summers, an exceptional condition for our barrelhouse. The nearby mountains provide a source of fresh and clear spring water that is an essential part of our product. A delicate balance is achieved by the skillful blending of different malts. This expression offers an a silky mouthfeel and fruity flavors with character, that rise and expand with long and deep aftertaste.
