*Single grain*

## KIYOKAWA

Kiyokawa is located in the northern portion of the Nagano Prefecture. Our distillery sits on the edge of a small village, fed by snowmelt and fertile land. The area is known for its severe winters and hot continental summers, an exceptional condition for our barrelhouse. The nearby mountains provide a source of fresh and clear spring water that is an essential part of our product. This Single Grain whisky is made with 100% Wheat. A precise blending of different batch of grain whiskies results in a perfect marriage of rich flavors. An elegant expression with flavors of honey, orange with a complex finish.
