It's a silky, unctuous and aromatic high –grade liquor enriched with agave sugar obtained from the slow distillation of 100% Blue Tequilana Weber agave, and the sweet and delicate mixture of secret ingredients which rests in a stainless steel tank in order to enhance and permeate its nature flavors and cooked agave notes and aromas, resulting in an excellent high-grade liquor ideal as a digestive and for creating cocktails.

**Appearance:** Crystalline with stow yellow nuances and silver flashes.

**Aroma:** Delicate floral and fruity citric notes, intense aroma of cooked agave and accents of herbal notes.

**Taste:** Silky and harmonious finish on the palate with fresh and herbal notes, maintaining an exact fusion between cooked agave and fruity flavors.

**ABV:** 40%.
