BRAND HISTORY

During Japan's feudal era, Samurai warriors who achieved complete mastery of swordsmanship were awarded the honorary title of KENSEI, or "sword saint." Such was their command over the craft that only one Kensei could exist at a time, having reached the peak of perfection.

The Kensei were living incarnations of Bushido, or the "way of the warriors" within the Samurai traditions. In addition to their martial prowess, they were meticulous craftsmen with an intimate understanding of their trade.

Kensei warriors dedicated their lives to achieving a singular level of perfection that only few could dream of.

THIS PHILOSOPHY IS CENTRAL TO HOW WE CAME TO CREATE THIS MASTERFUL WHISKY.

Nowadays, KIYOKAWA CO., LTD is an artisanal blender specializing in small batch whiskeys, and our rare stock can be found throughout Japan.
