

## TASTING NOTES

**Appearance:** 100% blue agave tequila from the Bajío-Guanajuato region produced from a slow, special distillation process and bottled directly from copper pot stills. Silver colour with bright hints and nuances and medium body.

**Nose:** aromatic, herbal and citric notes such as grapefruit, mint, peppermint and lemon. Butter, green pineapple and subtle floral aromas are also present as is the smooth aroma of raw agave.

**Taste:** highly silky on the palate, with notes of grapefruit, lemon, lime, cooked agave, spearmint, peppermint, green pineapple and apple. The presence of pepper spices and butter attest to its smooth distillation process.
